

Fabric Options

Color Options: White, cream, and gray color options are available. These colors provide a modern and minimalist look and perfectly complement outdoor living spaces.

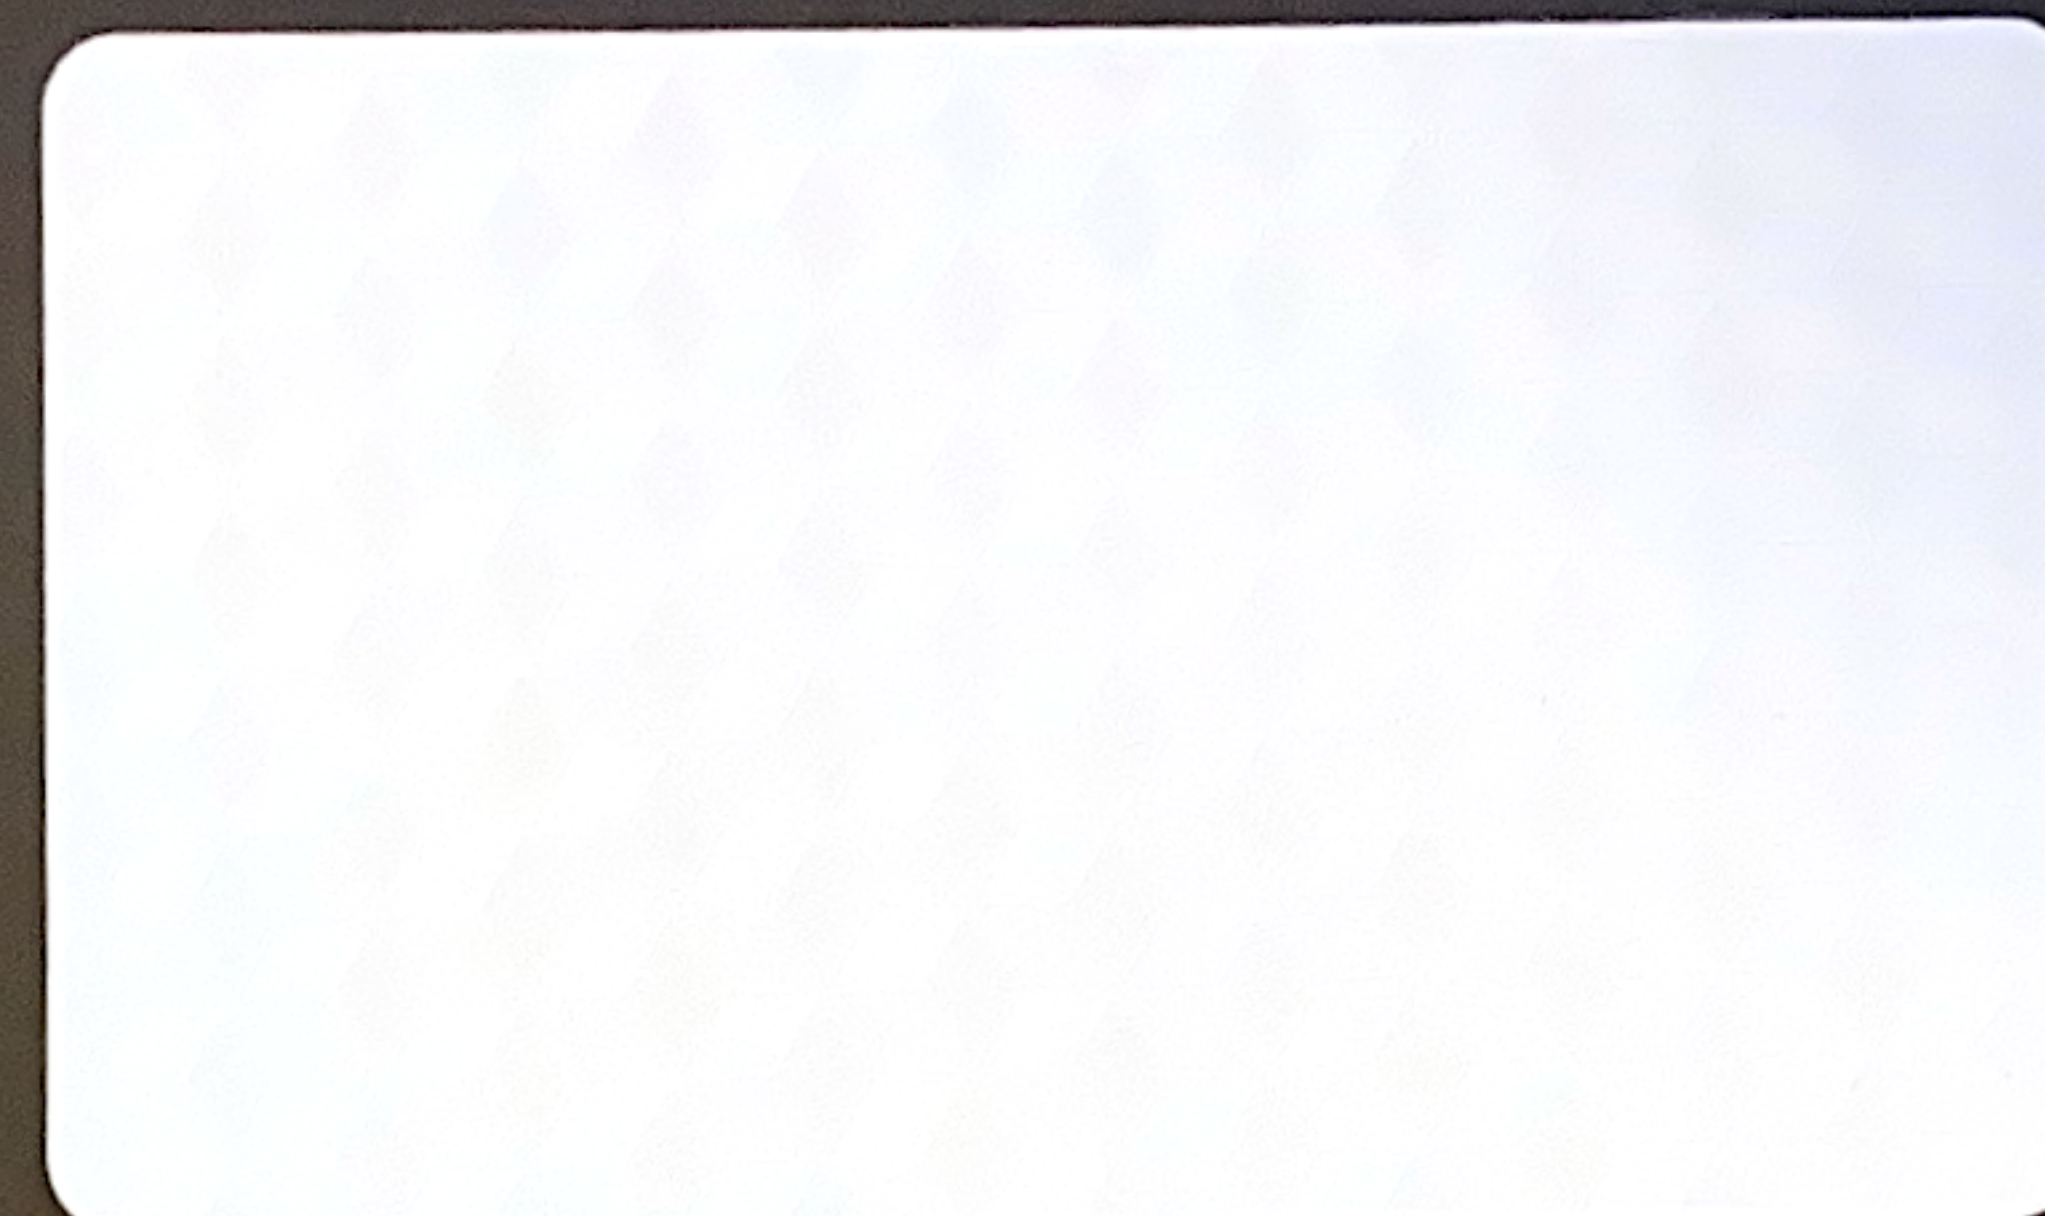

3D Pattern: Silver Eco fabric also offers an aesthetic look with its special 3D patterns.

Weather-resistant: It is resistant to sun, rain, and all weather conditions. Thanks to its high-performance feature, it ensures the longevity of pergola systems.

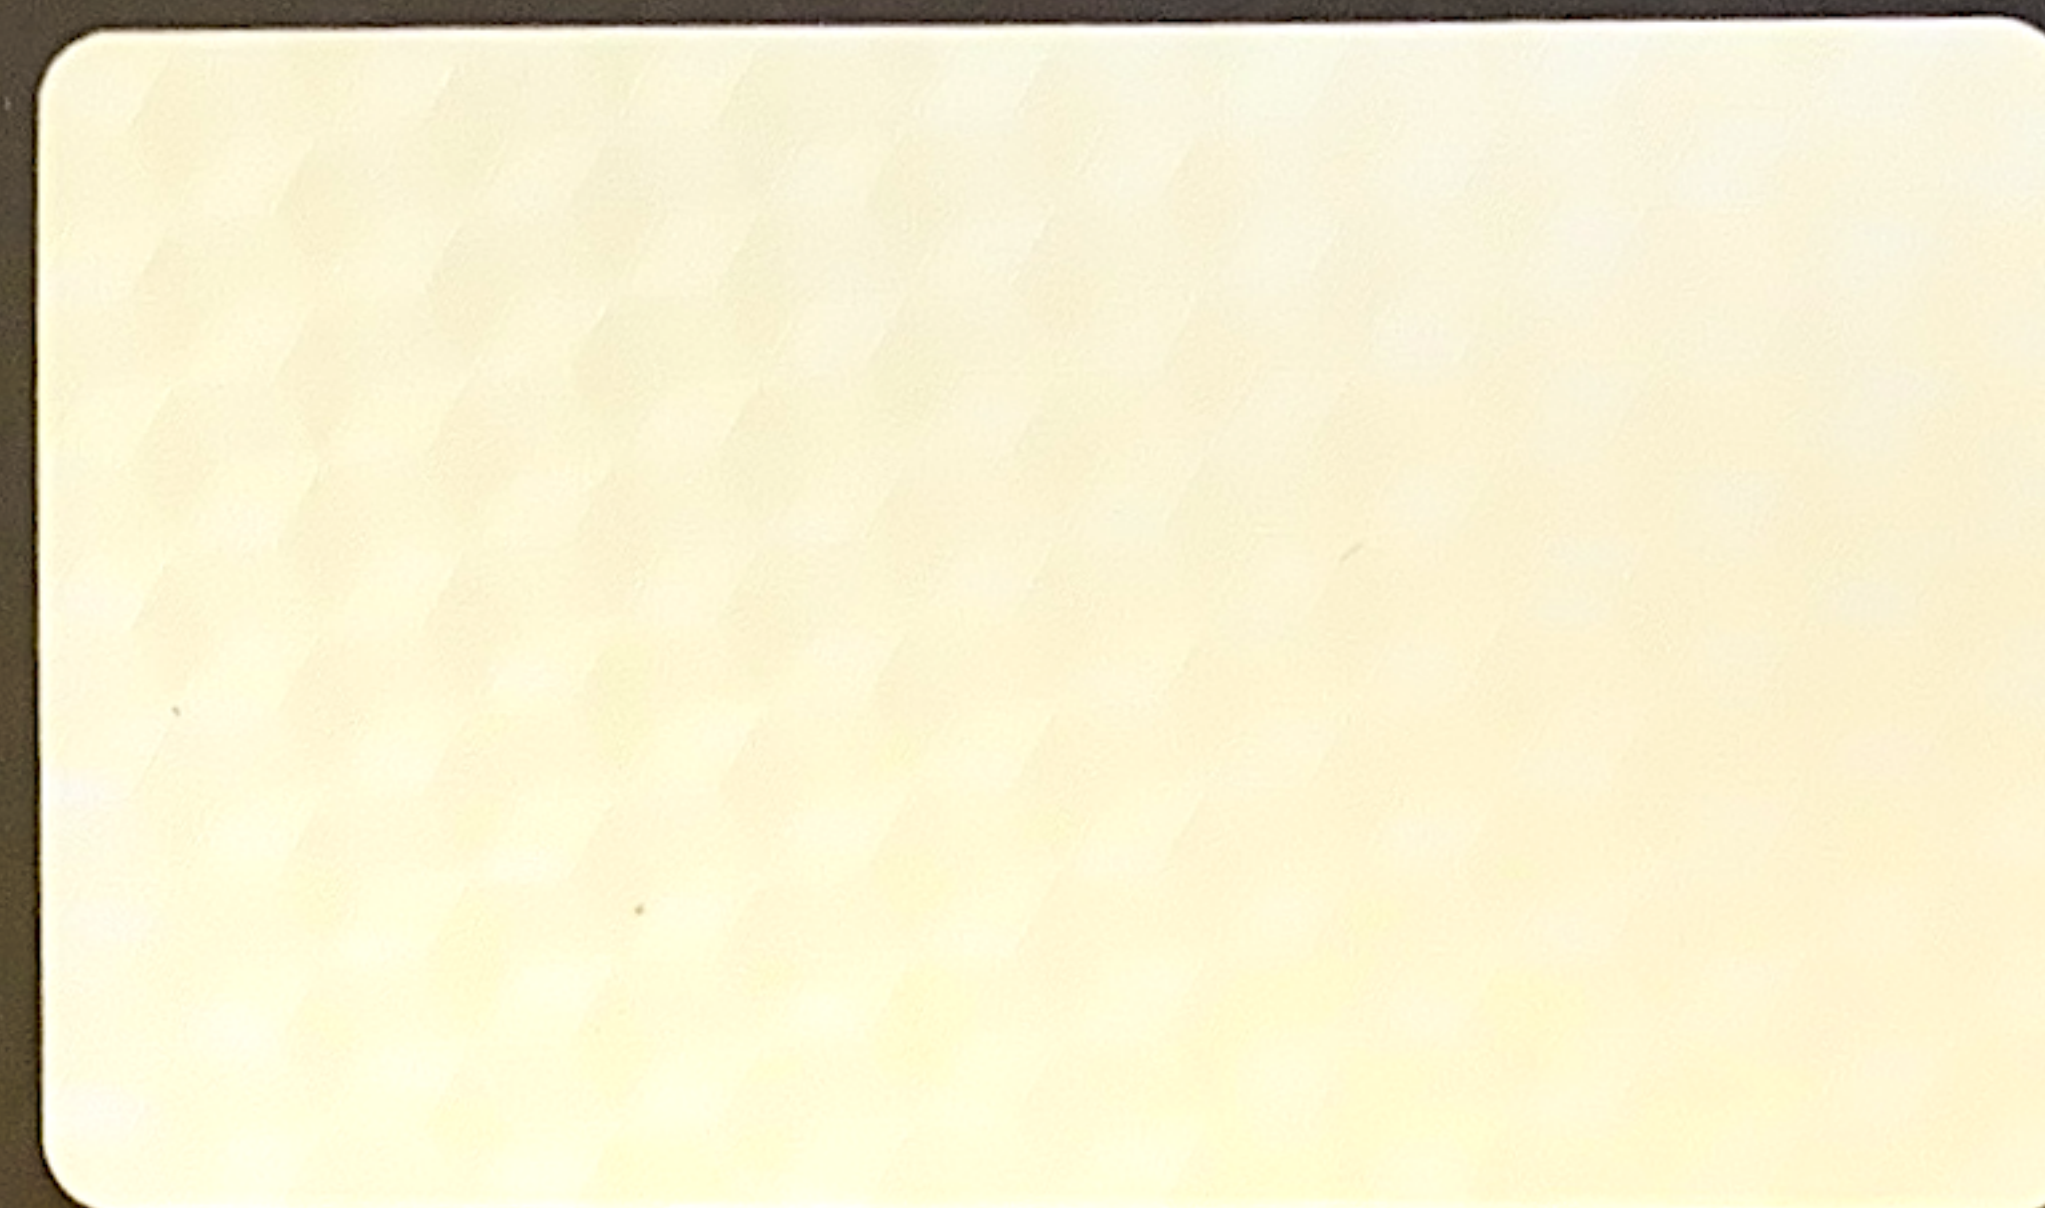

Comfortable Use: Silver Eco fabric provides comfort in all weather conditions. It stays cool with its ventilation and blocks sunlight, creating a pleasant environment in outdoor living spaces.

Silver Eco pergola fabric is designed to add value to your outdoor living spaces with all its features, and it is made of high-quality materials.
